#### INDEPENDENT AUDITORS' REPORT

To the Partners Financial Services of New England

We have audited the accompanying balance sheet of Financial Services of New England (a partnership) as of December 31, 2001, and the related statements of income, partners' capital and cash flows for the year then ended. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require we plan and perform the audit to obtain reasonable assurances about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Financial Services of New England as of December 31, 2001, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying additional information (Schedules 1 through 3) is presented for purposes of additional analysis and is information required by Rule 17a-5 of the Securities Exchange Commission. Such additional information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

#### Financial Services of New England NOTES TO FINANCIAL STATEMENTS December 31, 2001

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Nature of Business**

Financial Services of New England (the Company) was founded on January 1, 1994 and commenced operations in January 1994 as a proprietorship. The Company is a broker primarily in securities of registered investment companies and, therefore, does not hold securities or maintain any customer accounts. The Company is a registered broker under the Securities Exchange Act of 1934 and is a member of NASD (National Association of Securities Dealers, Inc.). On January 1, 1995 the Company, with NASD approval, became a partnership. The new partnership, comprised of Mr. Scott Pelletier and Mr. Gary Tourtillotte equally, maintained the same books, records, and beginning account balances as the ending balance of the proprietorship.

#### **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **Method of Accounting**

Financial Services of New England utilizes the accrual method of accounting. Commission revenues are recorded on a trade date basis.

#### **Equipment**

Equipment is stated at cost. Assets are depreciated on a straight-line basis over a five year period.

#### Federal Income Taxes

The partnership is not a taxpaying entity for federal income tax purposes, and thus no income tax expense has been recorded in the statements. Income from the partnership is taxed to the partners in their individual returns.

## Financial Services of New England COMPUTATION OF NET CAPITAL PURSUANT TO UNIFORM NET CAPITAL RULE 15c3-1 SCHEDULE 1
